Dear Tad:

Thank you for the use of your horse for the annual convention. His star performance added greatly to the "Opening Session" morning ceremonies. The excitement generated by having a beautiful white horse and an elephant in the program had a tremendous surprise factor and a huge **WOW** factor!

I appreciate your patience in helping a rather unskilled rider and also appreciate the personal attention you gave me.

Hope to seeing you again on one of my future trips to Las Vegas.

Sincerely,

Dave Liniger
Chairman of the Board
