Tad Griffith

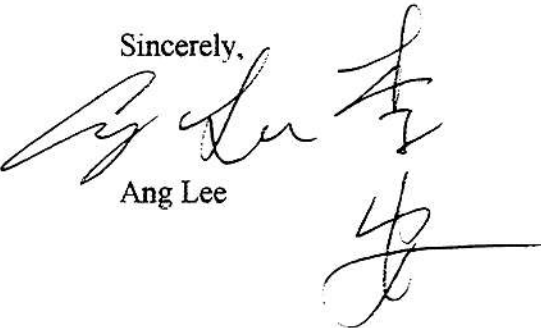

Dear Tad;

Thank you so much for all your hard work on *Ride With The Devil*. I hope you are as proud of what we did over the past few months as I am.

Enclosed is a small token of my gratitude for your commitment and contribution. I hope you will wear it and recall fondly your time on *Ride With The Devil* (in spite of the rain, snow, heat, cold and, of course, ticks).

I believe we made a wonderful movie under challenging conditions and I thank you again.

Sincerely,
